## **SHL Telemedicine enters into Agreement with CVS Pharmacy Inc. for use of SmartHeart™ full 12 lead ECG technology**

**Tel Aviv / Zurich – 18 October 2021** – SHL Telemedicine Ltd. today announced that it has entered into a Purchase and Service Agreement with CVS Pharmacy Inc, according to which SHL will provide SmartHeart™ 12 Lead ECG unit and technology for the delivery of ECGs and related services at select MinuteClinic locations for use in its clinical and patient care protocols.

“We are very pleased to enter into this collaboration with MinuteClinic, a leading retail health clinic in the US market. Our unique FDA-approved and patented SmartHeart™ technology for performing full 12 Lead ECG fits well with the health care services offered at MinuteClinic,” said Erez Nachtomly, CEO of SHL Telemedicine. “This is a meaningful step up for SHL’s activity in the US, as we continue to pursue and implement our strategy for fast growth in the US market.”
