

Press release

SHL Telemedicine signs agreement in India with Narayana Health Hospitals, one of the leading hospital chains in India.

Tel Aviv/Zurich, 19 March 2014 - SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN), a leading provider and developer of advanced personal telemedicine solutions, is pleased to announce an agreement with Narayana Health Hospitals, a multi-specialty hospital chain headquartered in the city of Bangalore, with 6,200 beds spread across 23 hospitals in 14 cities. It is renowned for its cardiac practice and performs over 60 heart surgeries a day. As such, SHL is proud to enter into a cooperation with NH, which further broadens its portfolio of partnerships in India.

The SHL telemedicine solution will be offered to the patients of Narayana Health, as part of their ongoing out of hospital patient care and to the medical professionals. SHL shall provide the telemedicine service using its advanced telemedicine technologies, including the new smartheart device.

About Narayana Health

Narayana Health (Narayana Hrudayalaya) founded by the renowned Dr. Devi Shetty, has its flagship hospital in Bangalore at NH Health City and has one of the largest cardiac practices in the world. More information at <http://www.narayanahealth.org>
