

Press release

SHL signs another agreement with hospital in Delhi

Tel Aviv/Zurich, 27 August 2013 - SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN), a leading provider and developer of advanced personal telemedicine solutions, is pleased to announce a further expansion of its telemedicine services in the Indian healthcare market, to be offered also to the patients of Pushpanjali Crosslay Hospital in Delhi.

The SHL telemedicine solution will be offered to patients of the Pushpanjali Crosslay Hospital, as part of their ongoing out of hospital patient care and to the medical professionals. SHL shall provide the telemedicine service using its advanced telemedicine technologies, including the new smartheart device.

About Pushpanjali Crosslay Hospital

Pushpanjali Crosslay Hospital is a tertiary care facility. It offers preventive, diagnostic and treatment alternatives with follow-up care in virtually all medical specialities. More information <http://www.pushpanjalicrosslayhospital.com/>
