

Press release

## **Further expansion in India. SHL to provide its telemedicine services in greater Delhi.**

**Tel Aviv/Zurich, 15 August 2013** - SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN), a leading provider and developer of advanced personal telemedicine solutions, is pleased to announce a further expansion of its telemedicine services in the Indian healthcare market, to be offered also to the patients of Alchemist Hospital in greater Delhi. SHL is expecting to generate USD 1 to 3 million over the course of three years from this collaboration.

The SHL telemedicine solution will be offered to patients of the Alchemist Hospital, as part of their ongoing out of hospital patient care and to the medical professionals. SHL shall provide the telemedicine service using its advanced telemedicine technologies, including the new smartheart device.

“We are continuing to expand our presence in the Indian market and have signed another collaboration with a leading hospital this time in the Delhi area. We expect more such collaboration agreements with leading Indian hospitals to be signed in the coming months.” stated **Erez Alroy, Co-CEO of SHL.**

### **About Alchemist Hospital**

A multidisciplinary hospital in Delhi providing an integrated healthcare delivery system, spanning from basic facilities in preventive health to sophisticated curative technologies. More information available at: <http://www.alchemisthospitals.com>
